Makes one feel better getting something washed up.

My regards to Mrs. Elder and you. Thanking you for past favors, we are,

Yours very truly,

July 2nd, 1943.

My Dear Mr. Elder,

Your letter received also the note returned for which we have given you credit. We are very sorry to hear of your illness and hope you will soon be perfectly well again. This is hard weather to be confined to bed. Just have sold all of the 1928 quarters as I cannot locate them. Send herewith two Isabella quarters. Have no gold at the present time. Is there anything else we can send you?

Had a letter yesterday from my nephew written the day after the Sicilian invasion started and he is somewhere near Corthage. He is well and said they are getting along all right. Have lots of luscious fruit for which the Arabs charge them plenty but as there is nothing much to spend money for they pay the price and enjoy the fruit. Just got through a terrific heat wave, thermometer 128 in the shade.

There is only one important thing and that is to have him come home safe. Remember me to Mrs. Elder and take good care of yourself.

Yours very truly,

My Dear Mr. Elder,

Received your card regarding your arrival and glad to know you reached your destination safely. Hope you are having fine weather and enjoying good health.

Regarding the Henry Clay medal, I have found it but the tag is missing. Do you remember what the price was? Shall be glad to send it on approval but would like to find the tag if possible.

My regards to you and Mrs. Elder.

Yours very truly,

November 9th, 1945.

My Dear Mr. Elder,

Your letter and card received and glad to hear from you. We are sending the Clay medal to you at \$8. which we hope will meet with your approval. We are also sending 1832 half cent, the only one of the dates you ask for we have at the present time. It is very difficult to get material in this market. Everybody seems to be holding on to what they have, thinking no doubt it is worth far more than you can get for it.

Referring to the War, I do not see how they can stand this invasion by air a lot longer. Do hope it will soon be over and we can get started back to peaceful living again. My nephew has come through safely up to the present time. Has been in five battles so I guess he has seen enough. He says he has seen too much. His letters are always cheerful and his morale seems to be good. What did you think of the Election?

Hope this finds you and Mrs. Elder well and enjoying fine weather. With kindest regards to you both, we are,

My Dear Mr. Elder,

I am sending herewith three of the cheapest Mites we have at the present time. Hope they will meet your requirements. Had a nice letter from Mr. Tapp yesterday. Said he had heard from you. Hope this finds you and Mrs. Elder in good health. Are you going to the farm this summer?

With best regards,

Yours very truly,

Note what you say about hunting out any lots we may have. I am planning to leave here on a 2 two week vacation sometime next week and will not be able to give it any attention before I go as I have things to straighten out here to leave in order.

Hope you are enjoying this beautiful weather and thank you for the contribution. With best regards,

My Dear Mr. Alder,

Your interesting letter came to hand as you say/ we are sending herewith a few inexpensive W. J. cents and hope they will meet your requirements. Sorry to hear you have so much trouble getting located with such unpleasant experience. It is cold and rainy here to-day and makes one feel like staying in.

But do you think of the Stettinius appointment. Things are in a pretty mess at D. C. and perhaps it is just as well to let them have it and see what they make of it.

Have no uncirculated Indian head cents at present time. Need is having a large sale Friday and Saturday. Suppose you get some. Belonged to man by P. L. Helmier of Mt. Vernon Indiana.

Hope this finds Mrs. Alder settled and comfortable living with yourself. With kindest regards, we are,

Yours very truly,

My Dear Mr. Elder

Your letter received and we are sending a few items you ask for as per above memo. If anything comes in will send to you. There seems to be very little offered. Kosoff is having a sale of early dollars. Says the owner does not want his name published. They have "estimated price" and beside it bid. If they get the prices they have tacked to them, they will be good. 1801, 1802, 1803 dollars restrikes brilliant proofs at \$250 each.

Hope this finds you and Mrs. Elder in the enjoyment of health and with best regards, we are,

Yours very truly,

January 26th, 1945.

Dear Mr. Elder,

Your card received and note what you say. I am sending a few coins under separate cover. The others you ask for I could not locate. If I come across them I will send to you. Sorry to hear you have had so much trouble with colds. It has been very cold and generally bad here but have escaped colds thus far. What do you think of Genl. Roosevelt? Also the Jones Wallace affair. If a party politician had written such a letter there would have been a furor.

Well, we will see. With best regards,

Yours very truly,

My Dear Mr. Elder,

Your several letters received. Sorry we have no Fractional currency notes that have been in circulation, we send you a few herewith which we hope will fill the order. Have tried to get the cloth lined envelopes but no one seems to have them. Cohen does not make them for the duration and the stationery stores where I thought I could get them, cannot get them at all. Your letter enclosing check for \$2.10 received for which we thank you. Have not heard from your nephew. We are sending the following on approval.

Hope this finds you and Mrs. Elder in good health. With kindest regards,

Mr. Thos. L. Elder,  
Pleasantville, N. Y.

My Dear Mr. Elder,

Your card received and we are sending under separate cover a few small Roman bronzes. Hope they are what you want. Well, I guess Germany is nearing the end of the road and things over in Europe must be in a terribly chaotic state. We hear frequently from Bill (my nephew). He makes maps of the terrain and various other duties pertaining to the Headquarters Co. to which he is attached. From the pictures he sends us he looks wonderful. Has been to Rome, Pisa, Florence and was ~~xxx~~ cited for his work at Anzio. I will be glad when it is all over and we get back to peaceful living again but we have the Jap to settle with yet.

What did you think of the ignominious demise of the Axis?  
Hope this finds you both well and everything going well. With best regards,  
Yours very truly,

Roman bronzes, small 20 at 10c. each

My dear Mr. Elder,

Your card received and was very sorry to hear of your illness and do hope you are fully recovered by this time. Mr. Tapp had written me that you were ill and would have written had I known your address.

Replying to your inquiry about gold there is very little offered here and when you have it come in they want more than you get for it. However will keep you in mind.

We are sending a few pieces of fractional currency herewith. Have very little in stock especially of the cheaper notes. Hope this will help you out.

Hoping this finds you and Mrs. Elder quite well again and with best regards,  
yours very truly,

Mr. Thos. L. Elder,  
Pleasantville, N. Y.

My Dear Mr. Elder,

As we have not heard from you presume you have left New York for the winter. Mr. Tapp wrote me that you were expecting to go to some place in S. C. I hope you are nicely situated and both you and Mrs. Elder enjoying good health. We have had beautiful weather, no cold weather at all. Business is a little slow all excepting the N. Y. sales where they get ridiculous prices. We have election Tuesday and from what I read I think the Democrats are a little scared. I hope they eliminate Guffey.

When cleaning out the safe I found two more of those Bechtler re-strikes. If you can use them will sell them for \$20. each.

Shall be glad to hear from you. With best regards to you both and best wishes, we are,

Yours very truly,

Note what you say about Johnson. The old timers are leaving us one by one. If you hear what becomes of his possessions let us know.

Received your letter this morning regarding the Colonial notes. Will look them up in a couple of days. Have been very busy and have a couple of items to be finished.

Hope this finds you both well. With best regards, we are,
